

# P875PO

Product Family  
Built-in type  
Dimensions  
Power supply  
Type  
EAN code

Hob  
Traditional  
70/75 cm  
Electric  
Ceramic  
8017709260002

## Aesthetics

Aesthetic	Coloniale
Colour	Cream
Material	Verniciato
Frame	Yes
Frame colour	Cream
Type of control setting	Control knobs
Control knob position	Front
No. of controls	5
Controls colour	Antique brass
Components finishing	Antique brass
Serigraphy colour	Gold
Alternative colours available	Anthracite

## Programme / Functions

Total no. of cook zones	5
No. of ceramic cook zones	5
Power levels	6

## Options

Worktop Cut-Out	490x685 mm
-----------------	------------

## Technical Features

Front-left - Ceramic - Single - 1.80 kW - Ø 18.0 cm  
 Rear-left - Ceramic - Single - 1.20 kW - Ø 14.0 cm  
 Central - Ceramic - Extendable - 2.00 kW - 15.0x25.0 cm  
 Rear-right - Ceramic - Double - 2.40 kW - Ø 21.0 cm  
 Front-right - Ceramic - Single - 1.20 kW - Ø 14.0 cm

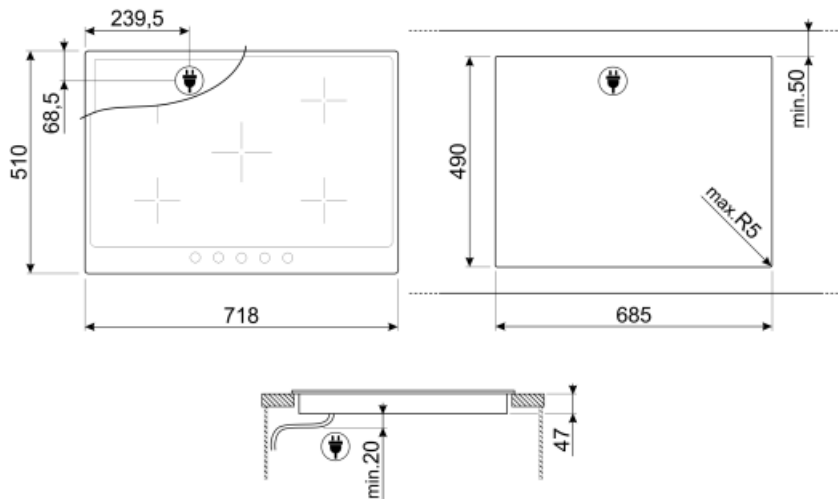

**Minimum pan diameter indication** Yes

**Residual heat indicator** Yes

**Automatic switch off when overheat** Yes

## Electrical Connection

<b>Electrical connection rating (W)</b>	8600 W	<b>Additional connection modalities</b>	Yes, Single and Double phase
<b>Current</b>	24 A	<b>Frequency (Hz)</b>	50/60 Hz
<b>Voltage (V)</b>	220-240 V	<b>Power supply cable length</b>	150 cm
<b>Voltage 2 (V)</b>	380-415 V	<b>Terminal box</b>	6 poles
<b>Type of electric cable installed</b>	Yes, Three-phase		

---

## Not included accessories

---

|----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
|  | Standard installation: Traditional installation in tabletop, suitable for any kitchen sets                                                                                                                                |  | Knobs control                                                                                                    |
|  | Overheat protection: The safety system that automatically turns off the hob in case of overheating of the control unit.                                                                                                   |  | Glass ceramic: The base of the hob is made glass ceramic. Heating is performed by the heating elements Hi-Light. |
|  | Indication of residual heat: After the glass ceramic hob is switched off the residual heat indicator shows which of the heating zones still remains hot. When the temperature drops below 60 ° C, the indicator goes out. |                                                                                   |                                                                                                                  |
